940 SERIES REPAIR SYSTEM

RIGHT THE FIRST TIME

One System. One Powerful Solution.

The Huck-Spin/Spin2 Advantage:

Huck-Spin/Spin2 is the most efficient, advanced fastening system for frame assembly and aftermarket repair. Proven a top performer for over a decade, the Huck-Spin® fastening system is the default frame fastening system for the industry's top truck and trailer manufacturers. It is safe, ergonomic, and easy to use.

How to get the Huck-Spin2 940 Repair System™.

The Huck 940 Repair System is currently being offered at a reduced introductory price! Take advantage of this limited time offer by contacting your nearest Huck authorized service center for details today. Introductory program runs through August 31, 2011.
